## WORSHIP

### In February

Worshiping together is the central act of Christians! It is in worship that we consecrate our actions and the fruits of our labor of the past week, receive strength to do God's will for the coming week, and dedicate ourselves anew to the coming Reign of God. Prepare yourself for worship each week by reading the following passages. Although they may not be used in the same form during the worship (especially when we have guest speakers), regular Bible reading is good spiritual discipline. Then join us for worship at either service. Don't forget church school class every Sunday (Sept. thru May).

Also included for your prayers is the ecumenical prayer cycle that will remind us of all the peoples of the world through the course of a year, and the congregations in the Upper Midwest Region.
